### Dispute Resolution / Arbitration

- Regularly represent clients in insolvency proceedings, including winding up and post-winding up applications.
- Successfully acted on behalf of a manufacturing and wholesaling of hair shampoo, cosmetics and toiletries products company, as well as the a main shareholder, in defending an oppression action brought by a private equity firm, in both the High Court and the Court of Appeal.
- Successfully acted on behalf of a construction company in its application to replace the Official Receiver with a private liquidator, and at the same time opposing another creditor's application for their proposed private liquidator.
- Advised a subsidiary of a local-based energy provider on the removal of a shareholder and managing director.
- Acted as part of the legal team on a dispute relating to one of the tallest building in Malaysia.
- Acted on behalf of a leading infrastructure company in Malaysia in a Dispute Adjudication Board proceeding, administered by the SIAC.
- Advised one of the largest medical (healthcare) company in Malaysia, in an AIAC arbitration involving construction disputes.
- Advised a foreign client in an SIAC arbitration involving crude oil quality dispute against one of the largest integrated energy and commodity trading companies in the world.
- Representing one of the major players in the Malaysian piling industry, in various legal proceedings, for the recovery of outstanding payments for work done.
- Representing an established developer in defending defects claims brought by purchasers of a high-end development.
- Representing a number of construction companies in ongoing AIAC arbitrations in respect of disputes arising from the construction of residential as well as commercial developments.

### Projects Advisory and Corporate/Commercial

- Regularly provide advisory services in relation to infrastructure projects, including the Mass Transit Railway and Light Railway Transit.
- Advised one of the listed construction companies in Malaysia on a joint venture with a company incorporated in Hong Kong to form an unincorporated consortium to bid for the development of a large scale solar photovoltaic plant in Peninsular Malaysia.
- Advised on and acted as part of the legal drafting team in respect of a project for the construction of the extension building to Hospital Miri.
- Drafted JV agreements, shareholders' agreements, share sale agreements and subscription agreements for clients in various industries, including IT and F&B.
